MEMORANDUM FOR : Chiefs of Personnel and Support  
CS Components

SUBJECT : Transfer to CSPS Development Complement of  
Staff Employees Approved for Disability Retirement

1. CS Career Service Personnel who have been approved for Disability Retirement and whose sick leave balance will permit their retention in pay status for two or more pay periods subsequent to the date of approval of the retirement will be transferred to the CSPS Development Complement upon request of the component to which they are assigned.

2. This action will eliminate double slotting of the replacement, and provide more realistic "on-duty" personnel charges against the component's ceiling. The component will, however, continue to be responsible for following through on honors, awards, or other means of recognition for the retiree.
